How can we help you?

Student Liaison Team

- Program rules and planning advice
- Study plans can also be found at: business.uq.edu.au/students/program-course-advice
- Adding or changing fields of study (majors)
- Credit or exemptions from your previous studies
- Research pathways

Same major – MBus and MCom

Students who have completed a similar major in their bachelor degree may be permitted to undertake this field of study in their MBus or MCom programs.

These programs do not assume prior knowledge or training in the available fields of study. If you've studied in a related discipline, consider if each field of study will extend your expertise and support your career plans.

Some exceptions may apply to the Professional Accounting field of study in the Master of Commerce (for example - if you already have CPA Associate Membership from your previous study).

Contact your Postgraduate Student Liaison Officer for further advice.
