The perfect place to live and study

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate and vibrant and diverse culture.

Welcome to Queensland

The University of Queensland is located in Brisbane, the capital of the state of Queensland. Business, economics and law students study at the University's St Lucia campus, only 7km from Brisbane's vibrant city centre.

Brisbane is a gateway to some of Australia's most magical experiences including the Great Barrier Reef, World Heritage-listed rainforests, pristine surf beaches as well as encounters with koalas, kangaroos and wild dolphins.

Popular activities in Brisbane include swimming at Australia's only inner-city, man-made beach at South Bank, kayaking on the Brisbane River, or climbing the Story Bridge for a 360 degree view of this river city.

With a subtropical climate, Brisbane delivers an average of 240 days of sunshine every year.

Prepare for career success

As a UQ Business, Economics and Law (BEL) student, you have exclusive access to a range of opportunities to build your experience and map your journey to lifelong success.

The future of work is evolving. BEL Careers and Employability can help you gain the practical industry experience and transferable skills that make you stand out to employers, no matter where your career takes you.

We'll give you the tools you need to learn from your experiences, engage with employers and unlock your potential.

Throughout your degree, you will have opportunities to:

- Gain meaningful work experience – both inside and outside the curriculum
- Connect with industry and alumni through networking and events
- Build your confidence through practical in-person and online workshops
- Design your own future by providing tailored career advice and resources.

Gain work experience in your field

We partner with businesses and industry bodies, alumni, government and community organisations to connect our students with work experience opportunities. You can gain work experience while you study through internships or our range of work-integrated learning courses.

Work-integrated learning allows you to gain work experience with an industry partner for academic credit. You'll put theory into practice, develop your personal and professional skills, establish networks and find out what it's like to work in your industry.

Companies we've partnered with include BDO Australia, Ernst & Young, Deloitte, Great Southern Bank, KPMG and PwC.

“As an international student undergoing a career transition to business, I was worried about my standing in the Australian job market.

BEL Careers and Employability provided me the opportunity to experience a competitive recruitment and selection process similar to those used by many organisations. Because of this supportive environment, I was able to secure my first professional experience.”

Industry relevant

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to the real world.

You will have access to work-integrated learning, entrepreneurial courses, local and global internships and volunteer positions to boost your confidence, capabilities and resume.

A wide range of free entrepreneurship programs are available to complement your studies, and to help you build a network, take on new challenges and bring your ideas to life.

Expand your mindset with UQ Ventures

At UQ, we encourage every student to get involved with the Ventures entrepreneurship community. Programs are free for all UQ students, and will help you to develop entrepreneurial skills, connect with like-minded students and create your own path. Programs are complemented by a wide range of events and competitions throughout the year, including “hackathons”, industry events, alumni get-togethers, workshops, and pitch nights.

Curious where Ventures can take you? You'll find the people, tools and opportunities to help bring your ideas to life. There's support at every stage of your Ventures journey – from flexing your creative muscles to launching a startup.

UniQuest, UQ's commercialisation company, has helped start up more than 100 companies and raise US\$32 billion in gross product sales.
