## NOTES

### ❖ **Grades of 3**

Only #8 at a pre-2006 grade of 3 (conceded pass) can be counted towards the dual degree (#8 across both components – NOT #8 each).

From Semester 2 2004, any grade of 3 obtained in a previous program cannot be granted as credit towards any new program.

### ❖ **MATHS B/ MATH1040 - Pre-2008 Students**

Students who entered the program prior to 2008 without having completed Maths B at secondary school or the equivalent at tertiary studies, must complete MATH1040 as a Group 3 Elective. These students therefore are not eligible to complete a major. From 2008, all students are required to have completed Maths B or equivalent for entry to the program.

The only exception is for domestic Qld Year 12 School leavers of 2007 (or 2006 who officially deferred commencement) who entered the program in 2008 without having completed Maths B at secondary school must also complete MATH1040 as a Group 3 Elective, and are not eligible to complete a major.

**If you have completed Maths B or an equivalent, you are not permitted to take MATH1040**, regardless of when you commenced the program.

### ❖ **ECON1310**

**ECON1310 is incompatible with** EC134 or EC135 or STAT1201 or 2201 or (MS101+(102 or 112) or 103 or 113 or 240).

Where students have taken the incompatible course to ECON1310 e.g. STAT1201, students may be eligible for credit or an exemption will apply.

Students who are exempt from ECON1310 are required to take a #2 BBusMan course in replacement.

Students who completed PSYC1040+PSYC2010 prior to 2012 should contact an Academic Administrative Officer in the BEL Faculty for advice regarding ECON1310.

### ❖ **ECON3430**

Students who were graduating in 2008 were allowed to take ECON3550 in lieu of ECON3430 towards the Business Economics major as the latter course was cancelled.

This exception was made for graduating students in 2008 only.

### ❖ **LAWS5226**

**LAWS5226 #1 Special Project** is available only to students falling #1 short due to the transition into 2008 codes. Students eligible for the Special Project may choose to complete a #2 level 5 LAWS5xxx elective instead, therefore completing the LLB component requirements at #59.
