 - a second major from BTHEM Majors; or
 - General Elective Courses.

***Selected courses must include at most 24 units at level 1. Selected courses must include at least 8 units at level 3.**

General Electives can come from almost any other undergraduate program at UQ providing you have met the prerequisites, they are not incompatible with any of the courses in your program, nor a prerequisite for entry to your program (e.g. you cannot gain credit for MATH1040 if you studied Mathematical Methods/Mathematics B in high school and used it to meet the maths prerequisite for the program).

*If you are planning on completing an overseas exchange, you may have to amend this plan. Students who would like an exchange experience in their program are encouraged to seek advice from the BEL International Mobility Team (exchange@bel.uq.edu.au) and BEL Student Administration Team (bel@uq.edu.au) early in their program (i.e. commencement of year one, semester 2). Please also familiarise yourself with the Academic Considerations: <https://bel.uq.edu.au/academic-considerations> and be aware of the exchange deadlines: <https://employability.uq.edu.au/global-experiences>.

You may use your general electives to complete a second major from the BTHEM Majors, however, a second major requires careful planning when commencing in Semester 2 and this plan may need to be amended. Plan your courses carefully for the duration of your program (being mindful of prerequisites and noting that course offerings may change each year, so future checks are required) by referring to the [Programs and Courses](#) website. Please contact a Student Administration Officer in the BEL Faculty for assistance if required (email: bel@uq.edu.au).
