Our goals look beyond graduation.

The Student Employability Team (SET) is dedicated to assisting students from the BEL Faculty to increase their employability, access opportunities and manage their careers. BEL SET’s services are supplementary to the services offered by the UQ Student Employability Centre.

More importantly, we are about creating opportunities to get ahead. It’s not just a foot in, it’s a step up. Because when you get SET, you go further. Get SET, ready, go.
