

The Dean's Honour Roll recognises outstanding academic excellence in a student's program of study within the business, economics and law schools.

The Dean's Honour Roll is awarded to the top 10 per cent of students graduating from business, economics and law undergraduate programs (excluding the LLB) and master's programs.

For students in a dual degree with the LLB or another faculty, only the courses which apply toward the non-LLB BEL component of the dual program are considered.
