PROGRAM GUIDELINES

You must complete a total of 48* units from the BBusMan course list comprising -

- 18 units of compulsory courses from Part A; and
- 12 units from one major in Part B (at least 6 units must be from level 3 courses); and
- 18 units for either:
 - (1) 12 units for a second major from Part B (at least 6 units must be from level 3 courses); and 6 units of general electives from Part B or C or almost any undergraduate program in the University approved by the Executive Dean; or
 - (2) 16 units of general electives from Part B or C or almost any undergraduate program in the University approved by the Executive Dean; and 2 units from Part B or C.

*No more than 4 units can be at level 1 excluding Part A compulsory courses. An exception applies for the Real Estate and Development major. Refer to the BBusMan rules for further information.

General Electives can come from almost any other undergraduate program at UQ providing you have met the prerequisites; they are not incompatible with any of the courses in your program, nor a prerequisite to your program (e.g. you cannot gain credit for MATH1040 if you studied Mathematics B in high school and used it to meet the maths prerequisite for the program).

- ^ Students who are intending to transfer from the BBusMan to the BCom (or a BCom dual) should not enrol in FINM1416 – please contact a Student Experience Officer in the BEL Faculty for advice (email: bel@uq.edu.au).
- ** Please check the Student Exchange website (<https://employability.uq.edu.au/student-exchange>) for application deadlines for your chosen institution, as some exchange Universities have different deadlines.

You may use your general electives to complete a **second major** from Part B of the BBusMan course list; however, a major requires careful planning and this plan may need to be amended. Please contact a Student Experience Officer in the BEL Faculty for assistance if required (email: bel@uq.edu.au).
