A welcome as warm as the weather

We offer one of the best campus experiences in the world in a location renowned for its welcoming and relaxed lifestyle, subtropical climate and vibrant and diverse culture.

BRISBANE

Brisbane, the home of UQ's St Lucia and Herston campuses, is the capital city of Queensland and its economic engine room. Young and progressive, the city is fast becoming a hub in the Asia-Pacific for business, investment, major events and education. It is also home to over 200 nationalities and 220 languages.

Entertainment

Brisbane city has a great live music scene that can be discovered in Fortitude Valley and West End. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the

Queensland Performing Arts Centre (QPAC). The Gallery of Modern Art (GOMA) is one of the best modern art galleries in the country, and keep an eye out for the Brisbane Writers Festival and the Brisbane Festival that attract international artists from across the globe.

Sport

Brisbane's amazing weather and sporting facilities make physical activity a must. Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point Cliffs, ride along more than 20 kilometres of riverside cycle paths, join a sporting

club, or barrack like a local when you attend a rugby union, rugby league, cricket, 'Aussie Rules' or football match at one of our famous stadiums.

Food

With just under a third of Brisbane's population born overseas, you can find cuisine from almost every culture. From affordable lunchtime and 'Cheap Tuesday' offers, to reasonably priced cafes, pubs, restaurants and farmers' markets, there is plenty to choose from and plenty of new culinary experiences to be had. And you can always picnic or barbecue in one of our lovely parks by the river.

Getting around

One of the best views of Brisbane is from a CityCat – a ferry service that runs along the river from UQ's St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network that makes it easy to get around. A 'go card' will allow you to travel on all Brisbane public transport at discounted student prices.

Around Brisbane

When you want to head out of the city, there is plenty to discover. Head south for the famous golden sands of the Gold Coast and Byron Bay, north

for the quiet beaches of the Sunshine Coast or the majestic Great Barrier Reef, west for ancient rainforests and charming outback towns or east for the spectacular Moreton Island, Stradbroke Island and Fraser Island. Sydney, Cairns and Melbourne are all short flights away. You will wish you had more holidays.

SETTLE IN

Getting started

Make your transition to UQ a smooth one by attending one of our Getting Started sessions, either when you arrive or during O-Week (Orientation Week). Attendance is compulsory for all international students.

In the session, you will learn: how to enrol, register for classes, get your student ID card, and key UQ dates and terminology. You'll also learn about what services and facilities are on campus, how to register for public transport student discounts, and what your best options are for getting to and from UQ.

FURTHER STUDY AT UQ

Postgraduate study

After completing your undergraduate degree you can return to UQ for your postgraduate studies, joining former UQ study abroad and exchange student luminaries such as Professor Bernard Degnan. Professor Degnan came to UQ from the University of Southern California in one of the first study abroad cohorts. While here, he became enchanted with the Great Barrier Reef and returned to UQ to complete a PhD. Thirty years later, his work on eradicating the destructive Crown of Thorns starfish is set to revolutionise efforts to preserve the Great Barrier Reef.

"You will obtain a new perspective on culture, language skills, a unique education, responsibility, and willingness to learn new things.

It's completely different from a holiday, because you will experience your new location in the long-term, and have the opportunity to pick up local knowledge (e.g. where to buy the tastiest pastries, which tourist attractions to avoid, and how to navigate the hidden but picturesque streets). Accommodation

We have accommodation options to suit your lifestyle and make you feel at home. Live in a college on one of the best campuses in the world, go to the inner city for off-campus student accommodation, or find your own home in the private housing market.

On-campus colleges

Do you want a traditional, immersive university experience? If you are studying at one of UQ's Brisbane campuses you can live in one of our ten colleges at UQ St Lucia, or if you are studying at UQ Gatton, live at the Gatton Halls of Residence. You can walk to class, enjoy services like academic support and social and sporting activities, and your meals are provided. Plus, you will make friendships for a lifetime. Apply before you arrive to secure a room.

liveuq.edu.au

Off-campus student accommodation

Do you want to cook your own meals but still live in a student community in the inner city of Brisbane? Choose from one of our recommended student accommodation providers. A variety of studio and single-bedroom apartments are available as well as rooms in two- to six-bedroom units. You can pre-book a room before you arrive.

Private housing

Are you the more independent type? You might like to share a house or apartment with other people. Brisbane's rental market features low-cost share houses to high-rise apartments, while Gatton's rental market features a range of affordable share houses. To find accommodation, first check our database, UQ Rentals. There are also private rental accommodation websites or you can rent directly from real estate agents. At the start of a lease you typically pay two weeks' rent in advance and a bond (which is four weeks' rent). You should get the bond back at the end of your lease if you maintain the property well. Make sure you inspect a property in person before paying money or signing anything, and that the lease period is suitable to your needs.

uqrentals.com.au

UQ Accommodation team

Our UQ Accommodation team can help you find your new home. If you are new to the housing market, attend our free information sessions two weeks before classes start. The team can also give you advice, check documentation for you, and direct you to useful material online.

Guaranteed accommodation

When you apply through UQ Guaranteed Accommodation, you are able to secure your accommodation prior to arriving in Brisbane and commencing studies at UQ.

The UQ Residential Colleges (on campus) and UQ Approved Providers

(off campus) set aside a guaranteed number of rooms so you are able to compare, choose and secure the most appropriate accommodation easily. Find out more at:

Associate members program

Does college life appeal to you but you prefer not to live in a college? As a first year student, you can access a college's resources and participate in their activities through our college associate members program. Membership benefits vary between colleges.

liveuq.edu.au/the-colleges

If you're arranging accommodation after you arrive in Brisbane, plan to arrive one month before classes start to get organised, arrange inspections and lodge your rental application. Make sure you arrange temporary accommodation for when you land, if necessary.

Airport pick up

If you are new to UQ, we'll provide you with free transportation from Brisbane's domestic or international airports. Just make sure you book three days in advance.

my.uq.edu.au/information-and-services/student-support/accommodation/about/airport-pickups

Cost of living

Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra.[^] To make the most of your time in Australia, we recommend you plan and budget for your study and vacation time.

Monthly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences and where you choose to live. For example, if you live in an on-campus college, expect to pay from \$1760–\$3340 per month. If you choose a private student accommodation provider, you will pay in the vicinity of \$1380–\$2720 per month. If you are the more independent type and want to live in a share house (off-campus private accommodation), your monthly budget will be in the range of \$1400–\$2260 (this does not include establishment costs such as rental bond, furniture and utilities set-up).

Weekly expenses

The table below estimates weekly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying

If you have a student visa you can work up to 40 hours per fortnight (two-week period) during university semesters, and full-time hours during vacations. In general, students shouldn't expect to cover tuition fees or living expenses by holding down a casual job.

If you are studying at UQ on a scholarship, contact your scholarship provider about how many hours you are permitted to work each week.
