*Maximum 4 units (2 courses) at level 1, excluding group 1 courses.

If you are completing the Real Estate and Development major and undertake the additional 12 units of courses (required for professional membership) as a substitute for general electives, then you are permitted to complete 6 units of level 1 courses listed in the real estate and development major course list. Refer to the BBusMan rules for further information.

General Electives can come from almost any other undergraduate program at UQ providing you have met the prerequisites; they are not incompatible with any of the courses in your program, nor a prerequisite to your program (e.g. you cannot gain credit for MATH1040 if you studied Mathematics B in high school and used it to meet the maths prerequisite for the program).
