**\*\* If you are planning on going on exchange in semester 1 year 3, it is recommended that you amend this plan to only take general electives on exchange and take Part B major courses at UQ.**

You may use your general electives to complete a second major from Part B of the BIHTM course list, however, a major requires careful planning when commencing in Semester 2 and this plan may need to be amended. Plan your courses carefully for the duration of your program (being mindful of prerequisites and noting that course offerings may change each year, so future checks are required) by referring to the [Programs and Courses](#) website. Please contact a Student Experience Officer in the BEL Faculty for assistance if required.

**Ensure your BIHTM Major is correctly listed on mySI-net**
