BEL CAREER MENTORING PROGRAM

Kick start your career!

Network, connect and engage one-to-one with a respected and successful industry professional by participating in the BEL Career Mentoring Program.

Learn and practise key skills that will strengthen your employability and help you start building your personal and professional profile to align with your preferred career direction.

The program runs throughout the semester (March - June or August - November) and allows you to gain practical advice on all aspects of career and employability such as:
- transitioning to work after graduation
- applying your academic knowledge in the workplace
- goal setting
- career options.

You will also gain an understanding of the behaviour and attributes expected in the workplace and how best to utilise your skills to find work and develop your career.

Places are limited. To participate, you must:
- be in your final year of study in the Schools of Business or Economics;
- have a cumulative GPA of 4 or above; and
- be prepared to fully commit to the program including attendance at mandatory events.
